A Petition to the United Nations to Free Israel's Abducted Soldiers

Dear Mr. Secretary General,

In 1982 **Zachary Baumel** (an American citizen), **Yehuda Katz** and **Tzvi Feldman** were taken captive in a battle with Palestinian and Syrian forces near the Lebanese village of Sultan Yaqub.

In 1986, Israeli Air-force navigator, Captain **Ron Arad** was also captured.

In 1997, **Guy Hever** went missing outside his army base in the Golan.

Early on Sunday morning, June 26, 2006, **Gilad Shalit** was abducted by Palestinian militants who attacked an Israeli army post on the Israeli side of the southern Gaza Strip border after having crossed through an underground tunnel near the Kerem Shalom border crossing.

The intervention of the international community is desperately needed and that is why we respectfully call on your aid.

We, the undersigned, wish to express our solidarity with the families of Israel's abducted and missing soldiers (MIAs), and support their efforts to secure the return of their missing loved ones.

Thank you for your attention.
